Shenyang Artisan Supplies Co.,Ltd

Artisan is a Chinese factory with 28 years 'experience, specializing in the development, manufacture and sale of outdoor supplies and related materials.

We are the vice-chairman unit of the Insulation Material Branch of China Electrical Appliance Industry Association and vice-chairman unit of China, Composite Material Industry Association. We are one of the drafting units of the national standards for composite materials and insulation materials in China.

Depending on a high-quality R&D team consisting mainly of Ph.D. and M.A., our products meet many national product standards, such as DIN of Germany, NEMA of the United States, JIS of Japan, and some of them even meet MIL-I standards of the U.S. military. All product meet the requirment of RoHS/CE/SGS/ISO standard.We have exported to more than 50 countries and regions and established long-term and stable cooperative relations with many home and abroad well known companies.

Product introduction

Color G10 Introduction

G10 is an extremely durable material constructed from layers of fiberglass soaked in resin, then oven baked after compression. Impervious to UV, moisture & liquid, flame resistant and physically stable under climate change. G10 is used the world over in a variety of industrial applications as insulation material and as a high-end handle material due to its unrivalled toughness, low maintenance and excellent grip characteristics. G10 is also used as reinforcement parts in many sports equipment due to its flexibility.

Advantages

Our G10 is first quality with good structure, absolutely no foreign matter or defects of any kind, very closed thickness tolerance, flat and straight panel, smooth and clean surfaces.

- * Very bright color, especially suitable for fins application.
- * Absolutely no foreign matter or defects of any kind.
- * Very closed thickness tolerance, flat and straight panel suitable for CNC machining.
- * High flexural & impact strength.
- * Good structure with clear layer.
- * Customize color available.

Applications

Our Colored G10 has high flexural & impact strength, good machining quality, and bright color, Especially be suitable for Surfboard fins, Knife handle, and other sport appliances.

Specifications:

- 1) Grade: G10
- 2) Usual Colors: Black, White, Red, Yellow, Blue, Orange, Olive Green, Gray, Brown and so on.
Multicolor is available, even 7 colors, like rainbow.
- 3) Thickness Range: 0.2mm to 200mm
- 4) Standard sheet Size: 1020*1220mm, CNC cutting to meet different size requirements.
- 5) According to CAD drawing, we can also process the finished handle to the customers.

Industry Standard

Standard	Code
IEC 893/EN 60893 Grade	EPGC 201
ANS (NEMA) Grade NEMA Li-1	G10
DIN 7735	Hgw2372
JIS Grade	EL-GEM
BS3953	EP-3

Technical data

Item	Unit	Result
Material	Epoxy resin + Glass fiber cloth	
Size	1020x1220mm	
Thickness	0.2 to 200 mm	
Temperature resistance	≥150°C	
Color	green, yellow, black, orange, white, blue, red, 33+color	
Density	1.9 - 2.15g/cm ³	
Certification	SGS/UL/RoHS/ISO	
Vertical layer bending strength	MPA	≥340
Parallel layer tensile strength	MPA	≥300
Impact strength	KJ/ m ²	≥60
Adhesive strength	N	≥8000
Insulation resistance	Ω	Normal: ≥1.0×10 ¹²
		After water immersion: ≥5.0×10 ¹⁰
Dielectric loss factor	1MHz, after water immersion 24 hour	0.04 to 0.05
Parallel layer withstand voltage	KV (In transformer oil 90°C±2°C/1min)	≥35
Volume resistivity	Ω.M	≥1.0×10 ¹¹
Vertical dielectric strength	MV/m (In transformer oil 90°C±2°C)	≥16

Price

Specifications

Product name : G10

Color: Black, White, Red, Yellow, Blue, Orange, Olive Green, Gray, Brown, etc. or multi color.

Thickness Range: 0.2mm to 200mm

Standard sheet Size: 1020*1220mm

Solid color Price list

No.	Name	Image	Thick (mm)	Size (mm)	Unit (pc)	Qty.	Wt. (KG)	Unit Price (Ex-W) in USD

11			11				28.6	308
12			12				31.2	336
13			13				33.8	364
14			14				36.4	392
15			15				39	420
16			16				41.6	448
17			17				44.2	476
18			18				46.8	504
19			19				49.4	532
20			20				52	560

Multi color price list

Artisan is the largest exporter of color G10 in China, we have cooperated with 79 knife factories and 264 material suppliers all over the world.

Usual colors available: Black, White, Red, Yellow, Blue, Orange, Olive Green, Gray, Brown, and many different color combinations, such as Black+Red, Black+Orange+White, Black+Olive Green+Brown+Gray, etc.

Color ratio : 2:2 or 3:3 or as required.

Under the condition of the same thickness, the price of multicolor sheet is the same as that of solid color sheet.

CNC cutting available, USD 0.44/small piece for thick less than 10mm.

G10 Color Swatch

G10 Color Swatch Remarks

- 1.You can choose solid color sheet from the above color swatch, or choose 2 or 3 or even 7 colors(rainbow) to make Multicolor sheet.
- 2.For blue, AR-33 is deeper than AR-30.
- 3.For gray, AR-05 is deeper than AR-50.
- 4.For brown, AR-06 is darker than AR-60, and AR-80 is sandy desert.
- 5.For red, AR-70 is darker than AR-07.Solid AR07 is like cherry's red.
- 6.For green, AR-09 is OD green, AR-90 is forest green, more darker thanAR-09.
- 7.AR-11 is pure black.AR-H20 is black gray mixed color.
- 8.For orange, AR-04 is deeper than AR-40.

Guarantee

Quality:We guarantee that the color of the delivered product is the same as the color swatch, and the thickness and dimension tolerance of the delivered products are the same as that agreed in the contract. If there is any discrepancy, we accept returns and we will bear all the loss of return goods, and we are willing to bear the loss of the seller arising therefrom. The color inspection standard is the color swatch, and the thickness and dimension inspection tool is the vernier caliper. The results obtained by other inspection methods are not acceptable.

Delivery time:We guarantee to deliver goods to customers in strict accordance with the contract. We will pay 1% of the total amount to customers as compensation for each day of delay, except delay caused by force majeure such as political, natural disasters and so on.

Documents:We guarantee that the delivered documents will not cause customs clearance trouble to the buyer. If additional customs clearance fees or port fees are incurred, we are willing to bear them. Of course, if the buyer fails to provide information in time or provides wrong information, or if the documents made in full accordance with the buyer's requirement, we are not responsible for the loss.

Packaging: We guarantee that the packaging method is industry standard packaging. If the loss caused due to improper packaging, we will be responsible for the loss. We will take photos before delivery, we are not responsible for any loss caused by packing problem in transit.
